

Divination

Divination helps us see into the future. Piano Divination is being able to know which note to play next even when it isn't shown in the music. That's called IMPROV!

Place your RH in the C position. Practice playing the rhythm(s) marked, using any C-Scale notes. It should be different each time.

To pass you must play 16 measures of improv with my accompaniment using different notes.

Level 1

BAN - ZAI PIPE - LINE

HANG TEN

Level 2

CATCH A WAVE

DON'T GET IN A PAD - DIE BAT - TIE

Level 3

SURF'S UP HIT THE BEACH

GNAR - LY WAVES! GRAB YOUR LONG - BOARD
